## Preparations for Milad-un-Nabi in North Nazimabad Town

### Repairs of lights outside all mosques are also being carried out swiftly: Aftab Khan

Karachi (Staff Reporter) – Aftab Ali Khan, Chairman of North Nazimabad Town, stated that the repair work for the lights outside all mosques is progressing rapidly in preparation for the arrival of Milad-un-Nabi. The cleaning of the routes for the processions has also been specially arranged to ensure that there are no difficulties during the Milad processions or other events. Khan mentioned that despite limited resources, the Town administration is making every effort to ensure the smooth running of all activities. He directed the sanitary department to focus on providing the best services to the citizens with full responsibility and attention. Additionally, the administration is committed to completing all tasks on time to prevent any inconvenience to the public. He further mentioned that North Nazimabad is actively engaged in these preparations.
