

TOWN MUNICIPAL CORPORATION NORTH NAZIMABAD (INFORMATION DEPARTMENT)

NO. TMC/NN/PRO(INF DEPT)/1003/2024

Dated: 30/10/2024

Public Reception Held in UC 6 and 7 of North Nazimabad, Focusing on Water Shortage and Other Public Issues

A significant public reception was held in UC 6 and 7 of North Nazimabad to address the issues faced by the local population. The event was presided over by Wajeeha Hassan, Amir of Jamaat-e-Islami Central District. During the program, she listened to the public's concerns and, in her speech, emphasized that Jamaat-e-Islami is striving to ensure water supply to every household. She assured the attendees that practical steps would be taken to improve the water lines and provide a permanent solution to the water issues.

Wajeeha Hassan further stated that Jamaat-e-Islami is working with the same dedication in every area of Karachi to resolve public issues. Their goal is to ensure better facilities for the public. She mentioned that Jamaat-e-Islami is raising the issues of the people through public representatives and, wherever possible, is also working on finding solutions independently.

The reception was also attended by Atif Ali Khan, Chairman of North Nazimabad Town, who listened to the public's concerns attentively. He highlighted the severe water supply shortage in the area, which is being managed by the Water Board. He assured that he would engage with senior officials of the Water Board to resolve the water supply issues as soon as possible to ensure that the public does not suffer from this vital need.

The program saw active participation from Faisal Naseem Avatar, Chairman of UC 6, and Aneeb Siddiqui, Vice Chairman of UC 5. Both leaders listened carefully to the various issues raised by the public and responded to them. They assured the attendees that the development of the area and the provision of basic facilities would remain their top priority, and they would take all necessary steps to resolve these issues. A large number of local residents attended the event and presented their concerns directly to the authorities. The public expressed their gratitude to Chairman Atif Ali Khan, Faisal Naseem Avatar, Aneeb Siddiqui, and Wajeeha Hassan for listening to their issues and promising immediate action. During the reception, discussions also focused on the water shortage, cleanliness, sewage systems, and other public amenities.
